

# Dedication

This symposium is dedicated to Professors Pinar Mengüç and Nevin Selçuk who have made significant contributions to the international radiation transfer community. As you will remember, RAD-07 was dedicated to Professors Andre Charette, Leonid A. Dombrovsky and Michael Modest. RAD-04 was dedicated to Professors J. R. Howell, Y. Kurosaki and J. F. Sacadura, and RAD-01 was dedicated to Professors M. Nallemand, M.N. Ozisik and R. Viskanta.
